We're proud of our Yorkshire roots and what we can't provide from the estate we use the best local suppliers. Provenance is central to everything we do at the Coach House & our team is passionate about using local and seasonal produce. We've started work on the kitchen gardens (which we hope to open in 2017) and intend to both increase the amount and variety of produce that we can grow ourselves as well as create a beautiful space for the estate and our customers. In the meantime, we have a big herb patch which we make the most of. What we don't grow here we source from Wellocks who are based in Lancashire. They buy from the best local farmers and deliver every day to guarantee great quality.
