KISS THE MOON

Explore Kiss the Moon's range of award winning natural beauty & wellness products that help you to sleep beautifully and wake up looking gorgeous

Tapping into the wealth of relaxing ingredients that nature provides to create the four signature blends of essential oils. Each one prepares you for a beautiful bedtime in its individual way to help you unwind and look after your skin:

Rejuvenating LOVE with Rose, Frankincense & Ylang Ylang

Restorative GLOW with Orange, Geranium, Myrrh & Litsea to restore dry skin and uplift the spirit

Soothing DREAM with Lavender, Gergamot, Chamomile & Cedarwood

Rebalancing CALM with Jasmine, Chamomile, Ylang Ylang & Sandalwood

Based here in the North Yorkshire countryside, Kiss The Moon uses pure essential oils grown and harvested for their therapeutic benefits and keep everything 100% natural – no parabens, no harsh chemicals, no artificial perfumes, no compromise
